RE: *State of Oklahoma, et al. v. Tyson Foods, Inc., et al.*
Case No. 05-CV-00329-GKF/SAJ
Objection to Subpoena of Wilson Research Strategies, L.L.C.

Dear Mr. Janzen:

On behalf of Wilson Research Strategies, L.L.C. ("WRS"), this letter hereby serves as our client's FRCP 45 objection to the subpoena duces tecum you served upon them dated January 30, 2009. WRS' objections pertain to the subpoena as a whole and to each individual Request contained therein.

In this regard, WRS was contracted by Stratus Consulting ("Stratus") to conduct a focus group study on March 14 and 15, 2007. Contained within the contract between Stratus and WRS is a confidentiality agreement which precludes disclosure of any of the information provided by Stratus or generated in connection with the study referenced above. Additionally, disclosure of such information, and specifically information regarding the identity of focus group participants who understood the focus group was confidential (Request No. 2), violates professional research standards. The subpoena is also overly broad and is unduly burdensome upon WRS.

For these reasons, WRS objects to the production of documents requested in your subpoena duces tecum.

Sincerely,

Ryan Leonard
